

4PLAY

The 4PLAY provides a ready-to-go light bar for the entertainer on the go. The bar is fitted with four LED moonflowers each containing red, green, blue and white LEDs to produce razor-sharp rotating beams. The unit features 6-channels of DMX control with built-in automated and sound-activated programs. The 4PLAY fits onto most standard tripods, including speaker stands and the 4BAR tripod. And, it comes with a free travel bag.

Highlights

- Portable, RGBW LED effect light floods the room with beams
- Rotating, razor-sharp beams penetrate the air with no moving parts
- Safely mounts to 4BAR™ as well as most tripods and speaker stands
- Save floor space by using the included bolts for truss mounting
- Achieve maximum room coverage by positioning each head independently
- Save time running cables and extension cords by power linking multiple units
- Sound-activated programs dance to the beat of the music
- Generate a synchronized show with easy-access to built-in automated programs in Master/Slave mode
