

BTAir

Experience the wonder of wireless lighting control right from your smart phone or tablet. BTAir is the app that makes it happen! Download the free BTAir app from the App Store or Google Play and discover how easy it is to control your wireless technology Bluetooth® compatible CHAUVET DJ fixtures right from your phone or tablet without any additional hardware needed! Create and store scenes.

Control color fades, chases and more right from the palm of your hand with BTAir. Light easier. Download
